Father Damien of Molokai

This year's World Mission Month theme is inspired by the missionary life of Father Damien of Molokai, who will be canonised on 11 October.

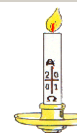

From 1873 to 1889, Father Damien was the only one to bring the people suffering from leprosy on the island of Molokai in Hawaii the comfort they greatly needed. He administered the sacraments and helped them with such little medical service and bodily comforts as were within his power.
